Retail Chain Expansion Sporting goods & general retail	Full facility programs including floor care, janitorial, window cleaning, and high dusting across KY, WV, and OH locations.	Completed

DIFFERENTIATORS

DIFFERENTIATOR	DETAIL
Owner-operated delivery	The person who quotes the work is on site. No account-manager layer between a facility lead and a decision.
Inside the corridor	Headquartered in Greenup County, KY. Regional competitors service this market as an outlying territory; AUS services it as home.
Documented, not asserted	Every figure above reconciles to completed work orders and issued invoices, not estimates.
Multi-state mobilization	Demonstrated capacity to staff up across three states on a fixed deadline without standards degrading between locations.
Secured-facility discipline	Continuous badged, background-checked recurring access on financial facilities, 2019 through 2026.
